

Ag Grow Advancing Ag Scholarship

Ag Grow Consulting Ltd. is an independently owned Agronomy Consulting company that provides unbiased, precise agronomic services to farmers across Saskatchewan. Our team is passionate about agriculture as a whole and we are constantly enhancing our knowledge through independent research and innovative technologies. We are committed to furthering innovation and growth in the Ag sector, and we know that this includes investment in the next generation.

Ag Grow Consulting Ltd. is pleased to once again offer the **Ag Grow Advancing Ag Scholarship**, which will award \$1000 to a Grade 12 student who is furthering their education in an Agricultural related field of study.

For more information, please find us online at: <https://www.aggrowconsulting.com/>

Scholarship Details:

Application Deadline: May 31st, 2026

Eligibility:

- We are looking for young people who are excited to pursue a degree in Agriculture. You must be a Grade 12 student graduating in 2026
- Attending a high school in Saskatchewan
- Entering a post secondary program related to Agriculture

Application Theme and Criteria

Applicants must address the following guiding question:

What involvement have you had in the agricultural industry, and how did those experiences lead you to pursue post-secondary education in agriculture?

Applicants are encouraged to:

- Share their ideas in a thoughtful and creative way
- Include facts or sources where they make sense to support their points
- Combine personal experiences with clear thinking and insight

Strong applications will clearly show a genuine passion for agriculture, originality, and a thoughtful explanation of what inspired the applicant to become involved in agriculture and pursue it as a future path.

Application Requirements

Applicants must submit **all** of the following:

- A completed **Ag Grow Advancing Ag Scholarship Application Form**
 - **One** of the following:
 - A **creative 2-minute video**, or
 - A **500-word essay** responding to the application theme
 - A **letter of conditional acceptance** to a post-secondary institution
 - A **letter of recommendation** from one of the following:
 - Teacher, Agriculture industry leader or Community leader
-

How to Apply

1. Complete the scholarship application form available at: <https://www.aggrowconsulting.com/> or in the fillable pdf below.
2. Prepare your video or written essay submission
3. Gather all required supporting documents
4. Email the completed application package to:

Kara Annand

 kara@aggrowconsulting.com

Selection Process

- Applications will be reviewed by a committee selected by Ag Grow Consulting Ltd. We will look at how well your submission connects to the scholarship theme, how clearly and thoughtfully your ideas are shared, and the creativity and overall quality of your work. Leadership skills and involvement in your school or community, as highlighted in your letter of recommendation, will also be considered. Please note that video submissions must be no longer than three minutes, as longer videos will not be reviewed.

Ag Grow Consulting Ltd reserves the right to publish or promote all submissions as deemed appropriate.

- To receive scholarship funds, the selected student must provide **proof of enrollment in the second semester** of their post-secondary program.
